

## **BSSB-1.5 — Belspray 1.5m Spraybar For bitumen emulsion or concrete cure material Fits any Belspray Classic chassis**

The latest accessory for the Belspray range of sprayers — a 1.5m covered spraybar which will retro-fit onto any Belspray Classic sprayer. It comes with 5 No 1/4" spray jets, a 1/2" shut-off valve and a 3m hose. The spray bar comes with a metal framed spray shield covered in 3mm black rubber sheeting to minimise any overspray.
